Registrar HEADQUARTERS FESCO Faisalabad

No. NEPRA/SA(CA)/TDC-10/17390-400

November 9, 2018

Subject: DIRECTIVE REGARDING APPLICATION OF TARIFF TO DAIRY FARMS (BHANAS)

WHEREAS, the National Electric Power Regulatory Authority (hereinafter referred to as 'NEPRA' or the 'Authority') is established under Section 3 of the Regulation of Generation, Transmission and Distribution of Electric Power Act, 1997 (hereinafter referred to as the 'NEPRA Act') and is exclusively responsible for the regulation of rates, charges and terms and conditions for the provision of electric power services throughout the country.

2. AND WHEREAS, it has been brought to the attention of the Authority that Distribution Companies have been charging dairy farms, cattle farms and bhanas under various tariff categories.

3. AND WHEREAS, the Authority has approved the Tariff - B Industrial category for industrial undertakings, defined in the said tariff as follows:

*'For the purpose of application of this tariff an "Industry" means a bona fide undertaking or establishment in manufacturing, value addition and/or processing of goods'*

4. AND WHEREAS, the dairy farms, breeding farms, poultry farms, bhanas, fish hatcheries and other cattle farms contain a discernible element of 'manufacturing' and value addition and thereby fall under the scope of the Tariff - B Industrial Category.

5. NOW THEREFORE, in pursuance of power granted under Section 48 of the NEPRA Act, the Authority hereby issues the following directive to all Distribution Licensees and entities engaged in the supply of electric power:

*That all dairy farms, breeding farms, poultry farms, bhanas, fish hatcheries and other cattle farms shall forthwith be charged under the Tariff - B Industrial Category;*

2. available to such a prospective consumer unless he provides to the satisfaction and approval of the Company, an independent grid station of his own including Land, Building, Transformers, Circuit Breakers and other necessary equipment and apparatus as part of the dedicated distribution system for receiving and controlling the supply, or, alternatively, pays to the Company for all such Land, Building, Transformers, Circuit Breakers and other necessary equipment and apparatus if so provided and installed by the Company. The recovery of cost of service connection shall be regulated by NEPRA Eligibility Criteria.
3. Existing consumers governed by this tariff shall be provided with T.C.U metering arrangement and converted to C-3(b) by June 30, 2011.
4. All new consumers shall be provided T.C.U metering arrangement and shall be billed on the basis of tariff C-3(b) as set out in the Schedule of Tariff.

#### D AGRICULTURAL SUPPLY

"Agricultural Supply" means the supply for Lift Irrigation Pumps and/or pumps installed on Tube-wells intended solely for irrigation or reclamation of agricultural land or forests, and include supply for lighting of the tube-well chamber.

#### Special Conditions of Supply

1. This tariff shall apply to:
  - i) Reclamation and Drainage Operation under Salinity Control and Reclamation Projects (SCARP);
  - ii) Bona fide forests, agricultural tube-wells and lift irrigation pumps for the irrigation of agricultural land.
  - iii) Tube-wells meant for aquaculture, fish farms, fish hatcheries and fish nurseries.
  - iv) Tube-wells installed in a dairy farm meant for cultivating crops as fodder and for upkeep of cattle.
2. If, for any reason, the meter reading date of a consumer is altered and the acceleration/retardation in the date is up to 4 days, no notice shall be taken of this acceleration or retardation. But if the date is accelerated or retarded by more than 4 days, the fixed charges shall be assessed on proportionate basis for the actual number of days between the date of the old reading and the new reading.
3. The lamps and fans consumption in the residential quarters, if any, attached to the tube-wells shall be charged entirely under Tariff A-1 for which separate metering arrangements should be installed.
4. The supply under this Tariff shall not be available to consumer using pumps for the irrigation of parks, meadows, gardens, orchards, attached to and forming part of the residential, commercial or industrial premises in which case the corresponding Tariff A-1, A-2 or Industrial Tariff B-1, B-2 shall be respectively applicable.

#### D-1 (a)

1. This tariff is applicable to all Reclamation and Drainage Operation pumping under SCARP related installation having sanctioned load of less than 5 kW.
2. Consumers having sanctioned load less than 5 kW shall be billed on single-part kWh rate i.e. D-1(a) tariff given in the Schedule of Tariff.
