INVITATION TO BID

Dear Sir,

You are hereby invited to submit your tender for the repair/upgradation as detailed in the schedule to this Invitation to Tender subject to the condition laid in PPRA and those mentioned here under and given in the schedule. The contract resulting from this invitation to tender shall be governed by the General Conditions of contract as contained in Tender Enquiry as required under the Punjab Procurement Rules 2014, the special conditions contained in Sr. No. 35-44 where ever applicable. The tenderer quoting against this invitation to tender shall be deemed to have read and understood the conditions thereof and the particulars of the repair/upgradation required and the specifications etc. in “**Annexure-A**”

2. The tenderer shall quote on the prescribed schedule to this invitation to tender on the basis indicated there in and shall sign, the certificate given therein to the effect that the repair/upgradation shall be supplied exactly in accordance with the requirement of the tender otherwise it would be presumed that offer is strictly in accordance with the requirement specified in the schedule. In case there is any deviation it should be clearly stated by the tenderer otherwise it would be presumed that offer is strictly in accordance with the requirement of the tender noted.

3. In the case of offers for repair/upgradation both imported and indigenous from within the country **price quoted shall be inclusive of all taxes, duties and charges** for packing, marking handling etc. **Where sales tax is leviable and included in the price quoted it shall be indicated separately in Financial Bid as per format given below:**

FOR GOODS

Sr. No.	Name of Store Item	Make/Origin as per Technical bid	Rate Per Unit (in Rs.)	GST (17%)	Rate Per Unit with GST	Total Quantity	Grand Total
	-	-	A	B	C = (A+B)	D	C x D

FOR REPAIR/UPGRADATION

Sr. No.	Repair/upgradation	Rate without taxes (in Rs.)	Rate with all taxes (in Rs.)
	-	-	-

4. The repair/upgradation is required as stated in the schedule. If, however, it is not possible to repair/upgradation within the specified period the tenderer shall give guarantee date by which he can repair/upgradation of said item.

5. Failure to submit the tender in the manner prescribed in the invitation to tender will be returned or liable to be ignored.

6. The purchaser does not pledge himself to accept the lowest tender /reserves to himself the right of accepting the full or part quantity offered and the tenderer shall repair/upgradation the same at the rate quoted. The tenderer is at liberty to quote for the full or part quantity.

(i) **Registration No. as approved Contractor**

(ii) **Consumer Confidence Index (C.C.I) and Registration No.**

26. The submission of tender against the Invitation to Tender by the tenderer, shall be deemed to his having read and accepted the conditions contained in detail given in tender documents and thoroughly examined the specifications, drawing and particulars specified in the Invitation to Tender. Further the tenderer shall be deemed to be fully aware of the nature of goods required and shall be bound to accept the contract, if placed with him on the basis of his prices within the validity of his tender.

27. The tenderer shall certify in his tender that store/works offered for supply shall be strictly in accordance with the requirements set out in the Invitation to Tender. This shall be done by affixing the green certificate as under the top of the first sheet of his tender.

<p>We guarantee to repair/upgradation exactly in accordance with the requirement specified in the invitation to Tender No.....</p> <p>Tenderer's Signature</p>
--

28. The Invitation to Tender may be purchased from appropriate authority specified and cash receipt must be enclosed with the tender.

29. The unsolicited, late and delayed tenders shall not be considered.

30. Any correction or alteration in the tender must be signed in full by the same person, who is signing the tender for and on behalf of the tenderer.

31. The purchaser does not pledge himself to accept the lowest tender and reserves the right of accepting the whole or any part of the tender or portion of the quantity offered, and the tenderer shall supply the same at the rate quoted. The tenderers are at liberty to tender for the whole or any portion or to state in the tender that the rate quoted shall apply only if the entire quantity is purchased.

32. Acceptance by the Purchaser will be communicated by e-mail, telegram, letter of acceptance or Advance Acceptance of Tender or formal "ACCEPTANCE OF TENDER". In case, where acceptance is communicated by the courier/ fax or letter or Advance Acceptance of tender, the formal Acceptance of Tender will be forwarded to the successful tenderer as soon as possible but the instructions contained in the courier/fax, letter or advance Acceptance of Tender shall be acted upon, immediately.

33. The tenderer must always give his tender for brand new store/works of latest design, robust construction and made according to the modern manufacturing practice. Unsolicited, late and delayed tenders shall not be considered.

34. Tenderers offering store/works subject to prior sale shall not be considered.

SPECIAL CONDITIONS FOR PLANT AND MACHINERY

35. The plant and machinery offered by the tenderers must be suitable for operation in extreme tropical climate at site and for the working duty (8 hours, 12 hours or continuous 24 hours etc) as specified in the Invitation to Tender.
36. The plant and machinery offered by the tenderer shall be of latest well tried design and robust construction to give adequate service life expected from them after installation at site.
37. The successful tenderer shall be required to furnish complete details for suitable layout, foundation, installation erection, inspection and tests, operations and maintenance.
38. The plant and machinery offered shall always be complete with its normal standard accessories, fittings, tool kit and spare parts, if any.
39. A successful tenderer shall furnish at the option of the purchaser a price spare part list of the plant and machinery offered by him, to facilitate the supply of spare parts afterwards.
40. The tenderers are advised in their own interest to make sure that the plant and machinery offered by them meet the specified requirements and are capable of giving the required performance and services at site with its local conditions regarding climate, ground air, water, power and fuel etc.
41. The successful tenderer shall have to make suitable arrangements for inspection and tests if required by the Inspector/Purchaser after installation at site.
42. The tenderer must ensure the use of best materials in the making of plant and machinery tenders by them or their principals. The use of any below standard materials shall make the goods liable to rejection and the tenderers liable to compensation and disciplinary and monetary repercussion upon the tenderer.
43. The price quoted by the tenderer shall include the cost of competent engineers to supervise initial operation and training of the consignee's staff and to guide for the servicing and maintenance of the plant and machinery offered and supplied.
44. The prices quoted by the tenderer shall include the cost of all routine type tests stipulated in the specifications governing the supply of goods.
