6. The buyer reserves the right to claim compensation for the loss caused by the delay in the delivery of store/works.

SPECIAL INSTRUCTIONS / QUALIFICATION CRITERIA

1. The store/works is required by the consignee by “As early as possible”. However, the tenderers are required to indicate their own guaranteed earliest date by which the store/works will be supplied by them.
2. Tenderers must quote on the prescribed invitation to Tender Form in limited tender as well as in advertised tender. Cash Receipts (in original or photocopy) in token of having purchase the tender, must accompany the offer.
3. Tenders should be addressed to **Director General Fisheries, Punjab, Lahore.**
4. Tenderers should quote their firm and final rates both in words as well as in figures.
5. The successful tenderer may be required to furnish security deposit upto 10% in the form of Call Deposit in favor of **Director General Fisheries, Punjab, Lahore** within the period specified in Advance Acceptance of Tender, failing which purchase shall be made at his risk and expense.
6. Against indigenous store/works Tenderers who are manufacturers must indicate name and address of the works in Pakistan from where they intend to supply the store/works.
7. Any Conditional, ambiguous or called in-complete offer in any respect shall be ignored.
8. The supplementary or revised offer after the opening of tenders shall not be entertained.
9. The tenderers should indicate in their tenders, the complete address or the place/places where store/works will be offered for inspection.
10. The tenderers shall enclose catalogues/leaflets/literature and other technical data, if any in respect of store/works offered by them.
11. Tenderer should specifically indicate their General Index Registration (G.I.R.) No. and Circle of the Income Tax Department.
12. Any erasing/cutting/crossing etc. appearing in the offer must be properly signed by the person signing the tender. Moreover, all pages of the tender must also be properly signed, offers with any over-writing will be cancelled.
13. The quotation should be submitted on the basis of accounting units specified in the invitation to tender.

14. (a) A certificate should be given by the tenderers that they will be responsible for the free replacement of store/works if the same is found to be substandard and/ or at variance with the specifications given in the tender enquiry. In case a similar store/works offered is at variance with the specifications given in the tender enquiry, the tenderers must clearly identify variation in their offers. Store/works offered of a specification superior to the one specified in the tender enquiry shall, however, be acceptable.
- (b) In case indigenous store/works is offered as a store/works similar to that specified in the tender enquiry the tenderers shall within seven days of the opening of the tender have the said store/works, wherever possible, pre-inspected by the inspection team of the purchaser at their own cost.
- (c) Where offers have been invited for specified brands, offers for other brands shall not be acceptable which are not in equivalence.
15. Store/works should be brand new and in original manufacturers packing with allied accessories.
16. Free service and supply of spare parts must be provided as per contract.
17. Tender samples where needed should be submitted by the tenderers along with their offers. Bulky samples should be delivered at the time of the opening of the tenders, failing which the offer shall not be entertained.
18. The store/works are required as per indenters specifications which is available in the office of Director General Fisheries and can be seen during office hours.
19. In case of spare parts of imported origin:
 - (i) A certificate should be given by the tenderers that the spare parts shall be genuine, brand new and in the original packing of the manufacturer.
 - (ii) A certificate should be given by the tenderers that they will be responsible for free replacement of parts if not found suitable for the engine, machinery or its ancillary equipment or demand.
 - (iii) Manufacturer's name, in whose packing the spares will be offered inspection must be given in the offer.
 - (iv) Import documents shall be produced at the time of inspection to ensure that store/works offered for inspection are imported/genuine brand new and in the original packing of the manufacturer.
 - (v) The tenderer should undertake that the security may be forfeited if they fail to furnish the import documents on inspection as at (iv) or to purchase the store/works at their risk and expense.
 - (vi) Part no. and nomenclature of each item must be given in the quotations as per particulars contained in the tender enquiry in case superseded parts Nos. are support of the offer made to them.
 - (vii) 100% payment will be allowed on receipt of inspection and accepted store/works by the consignee who shall return the inspection notes to the authorized representative of the firm within a period of 10 days.
20. Testing charges of sample/samples against the tender/advance bulk suppliers will be born by the tenderer/contractor irrespective of the result of the sample/samples.
21. The tender shall be enclosed in a double cover. The out cover shall bear the address of the office issuing the invitation to tender without any indication that it encloses a tender. The inner cover shall be sealed and the number of the Invitation to Tender and date of opening shall be clearly marked on it. All out-station tenders must be sent by Registered Post well in time and only one "Tender" (with both technical and financial offers, separately) shall be enclosed in one cover.
22. All tenders shall be opened at the time and date specified in the Invitation to Tender. The

tenderer's representative shall be at liberty to be present at opening of the tenders of the value of Rs. 5,00,000/- and above.

23. **The Director, Manager, Secretary, or Representative of the firm shall have to produce copy of the documents authorizing him to sign the tender, if required.**

Note:- All the members on an attorney duly authorized by all of them or the Manager of the firm shall sign the tender and other subsequent documents.

24. It is in the interest of the tenderers to get themselves registered with the Department as "APPROVED CONTRACTORS"/PRE-QUALIFIED FIRM IF REQUIRED".
25. The tenderer shall give the following information, if called upon to do so:
- (i) **Registration No. as approved Contractor**
 - (ii) **Consumer Confidence Index (C.C.I) and Registration No.**
26. The submission of tender against the Invitation to Tender by the tenderer, shall deemed to his having read and accepted the conditions contained in detail given in tender documents and thoroughly examined the specifications, drawing and particulars specified in the Invitation to Tender. Further the tenderer shall be deemed to be fully aware of the nature of goods required and shall be bound to accept the contract, if placed with him on the basis of his prices within the validity of his tender.
27. The tenderer shall certify in his tender that store/works offered for supply shall be strictly in accordance with the requirements set out in the Invitation to Tender. This shall be done by affixing the green certificate as under the top of the first sheet of his tender.

<p>We guarantee to supply store/works exactly in accordance with the requirement specified in the</p> <p>invitation to Tender No.....</p> <p>Tenderer's Signature</p>

28. The Invitation to Tender may be purchased from appropriate authority specified and cash receipt must be enclosed with the tender.
29. The unsolicited, late and delayed tenders shall not be considered.
30. Any correction or alteration in the tender must be signed in full by the same person, who is signing the tender for and on behalf of the tenderer.
31. The purchaser does not pledged himself to accept the lowest tender and reserves the right of accepting the whole or any part of the tender or portion of the quantity offered, and the tenderer shall supply the same at the rate quoted. The tenderers are at liberty to tender for the whole or any portion or to state in the tender that the rate quoted shall apply only if the entire quantity is purchased.
32. Acceptance by the Purchaser will be communicated by e-mail, telegram, letter of acceptance or Advance Acceptance of Tender or formal "ACCEPTANCE OF TENDER". In case, where acceptance is communicated by the courier/ fax or letter or Advance Acceptance of tender, the formal Acceptance of Tender will be forwarded to the successful tenderer as soon as possible but the instructions contained in the courier/fax, letter or advance Acceptance of Tender shall be acted upon, immediately.
33. The tenderer must always give his tender for brand new store/works of latest design, robust construction and made according to the modern manufacturing practice. Unsolicited, late and delayed tenders shall not be considered.
34. Tenderers offering store/works subject to prior sale shall not be considered.

SPECIAL CONDITIONS FOR PLANT AND MACHINERY

35. The plant and machinery offered by the tenderers must be suitable for operation in extreme tropical climate at site and for the working duty (8 hours, 12 hours or continuous 24 hours etc) as specified in the Invitation to Tender.
36. The plant and machinery offered by the tenderer shall be of latest well tried design and robust construction to give adequate service life expected from them after installation at site.
37. The successful tenderer shall be required to furnish complete details for suitable layout, foundation, installation erection, inspection and tests, operations and maintenance.
38. The plant and machinery offered shall always be complete with its normal standard accessories, fittings, tool kit and spare parts, if any.
39. A successful tenderer shall furnish at the option of the purchaser a price spare part list of the plant and machinery offered by him, to facilitate the supply of spare parts afterwards.
40. The tenderers are advised in their own interest to make sure that the plant and machinery offered by them meet the specified requirements and are capable of giving the required performance and services at site with its local conditions regarding climate, ground air, water, power and fuel etc.
41. The successful tenderer shall have to make suitable arrangements for inspection and tests if required by the Inspector/Purchaser after installation at site.
42. The tenderer must ensure the use of best materials in the making of plant and machinery tenders by them or their principals. The use of any below standard materials shall make the goods liable to rejection and the tenderers liable to compensation and disciplinary and monetary repercussion upon the tenderer.
43. The price quoted by the tenderer shall include the cost of competent engineers to supervise initial operation and training of the consignee's staff and to guide for the servicing and maintenance of the plant and machinery offered and supplied.
44. The prices quoted by the tenderer shall include the cost of all routine type tests stipulated in the specifications governing the supply of goods.

CERTIFICATE

- a) We hereby confirm to have read carefully the description of store/works and all the terms and conditions of your tender due for opening on **28-03-2024 at 11:30 A.M.** in the office of Director General Fisheries, Punjab, 9-A Bahawalpur Road, Chauburji, Lahore for the supply of **tender item**.
